Case No. 19-5101-CV-SW-SRB

**ORDER**

Before the Court is Plaintiff's Motion for Remand. (Doc. #11). Plaintiff Jill Kidwell argues remand is required because the jurisdictional, amount-in-controversy threshold has not been met as necessary to establish diversity jurisdiction. Plaintiff submitted an affidavit in support of her argument attesting that she suffered less than \$74,999.00 in damages. (Doc. #11-2). In light of this affidavit, Defendant Wal-Mart, Inc. filed a stipulation as to remand, reserving its right to file for removal in the future if Plaintiff's claimed damages change.

Accordingly, it is hereby ORDERED that Plaintiff's Motion for Remand (Doc. #11) is GRANTED. This case is remanded to the Associate Circuit Court of Jasper County, Missouri.

**IT IS SO ORDERED.**
